

Tavismanor

the home of wire and cable stripping

Dropwire Splitter

Dropwire stripping tool for overhead Dropwire cables 10B, 11, 12 and CAD55.

The ideal tool for the fast and safe removal of the outer sheath for Dropwire cables. Lightweight, one piece moulded body with totally enclosed blades ensure a safe single handed push-on then pull-off operation in any working environment.

The precisely calibrated blades guarantee no damage to the paired conductors.

This tool is also factory set therefore no adjustments are needed and it is ready to use out of the box.

Typical Application

A professional stripping tool for the fast and safe removal of the outer sheath for Dropwire No 10B, 11, 12 and CAD 55
